Re: Letter of Support to host the 2020 World Masters Athletics Championships

Dear Mr. Thomas,

I would like to take this opportunity to provide our support to the bid by the TO2020 organizing committee to bring the World Masters Athletics Championships to Centennial Park in the City of Toronto. We welcome the opportunity to work with you to host one of the key non-stadium events for the Championships, the 8 km cross-country race, on July 21st 2020.

Centennial Park has successfully staged similar events, including the 1992, 1994, 1999 and 2000 Canadian Cross Country Championships.

We look forward to working with the TO2020 Committee and other City of Toronto Divisions to ensure the success of this event and the overall success of the Championships. Access to required event space and amenities at Centennial Park are contingent upon application, availability and approval through our Permits Office.

We gladly endorse this bid by the TO2020 Committee and will work with the Committee to provide support to ensure the success of the 8k cross country race at Centennial Park.

Yours Sincerely,

Donna Kovachis
