

## 26.0 TORONTO INSPIRES SUCCESS

Toronto is the place to be in 2020 for the World Master Athletics Outdoor Championships.

Home to a vibrant community with the perfect mix of sport and tourism infrastructure, we have all the tools and resources to ensure that your event is a success. The community is committed to hosting and participating—as officials, volunteers and spectators. The business sector is ready to invest and is adept at providing quality services and relevant commodities on time and at a competitive price.

We understand your needs and believe that we can exceed your expectations. We have the people, accommodations, sport facilities and transportation infrastructure to ensure your event is an unsurpassed success. Our depth of knowledge re hosting events, our scope of event expertise and communications/marketing savviness allows us to truly say we would be the perfect host destination for the 2020 World Master Athletics Championships.

The sights and sounds of the Toronto offer a unique destination for your officials, participants and fans. Our passion for showcasing the city to visitors and our commitment to world-class hospitality makes Toronto the ideal community to host your event and create an experience that will long be remembered. Imagine anything....Experience it in the Toronto.

We look forward to welcoming you.

Sincerely,

**2020 World Masters Athletics Championships  
Committee**
