Letter of Authorization

The City of Toronto's Parks, Forestry and Recreation Division is authorizing the exclusive, full use of the Outdoor and Indoor facilities and equipment at the Toronto Track and Field Centre during the period of July 21 to August 2, 2020.

This use will be subject to all appropriate applications, permits, conditions, contracts and fees. Feel free to contact us for any additional information required.

We look forward to working collaboratively on this existing opportunity for the Sport of Athletics and the City of Toronto.

Thank you,

A handwritten signature in cursive script that reads "Michael Ellison".

Michael Ellison.
