Re: TO2020 World Masters Athletics Championships

Dear Mr. Thomas;

The Faculty of Kinesiology and Physical Education at the University of Toronto is supportive in principle of being a site to host the 2020 World Masters Athletics Championships, scheduled to be held July 21 to August 2, 2020. I am confirming the availability of facility space at the University of Toronto Varsity Centre, including the Varsity Arena, Stadium and playing field at Trinity College for these dates. Financial arrangements are in negotiation regarding the use of our facilities for these Championships, and final commitments are pending the outcome of these negotiations.

The University of Toronto is pleased to support the efforts to bring the 2020 World Masters Championships to Toronto.

Sincerely,

A handwritten signature in black ink that reads "Gretchen Kerr".
