Dear John,

On behalf of Canadian Masters Athletics I am pleased to write this letter of support for the TO2020 bid to host the World Masters Athletics Outdoor Championships in 2020. Your proposal has my enthusiastic support.

Toronto has a history of hosting many world class sporting events including such recent events as the 2015 Pan American Games and the 2014 FIFA U20 Women's World Cup as well as many past events like the 2011 Toronto International Track and Field Games and the 1993 IAAF World Indoor Championships. Toronto not only has the expertise to hold great track & field events but also the passion to make them world class events.

I wish you the best of luck on your bid and look forward to collaborating with you on this event.

Sincerest Regards,

Paul Osland  
President, CMA
